

MEDEX SUPPLY

Expediting Care

C A P A B I L I T Y S T A T E M E N T

Mission

Our mission is to maximize the Federal Government's resources by offering the highest quality medical and surgical supplies at the lowest price to government agencies and vendors. We have over 10 years' experience working with various government agencies including VA facilities, Army, Navy, Air Force, US Coast Guard, military bases, and local municipalities throughout the country.

Core Competencies

1. We Offer Various Payment Options P-Cards, Wide Area Workflow (WAWF), major credit cards, and government facilities have the capability to open a pre-approved credit account where payments can be made net 10, net 30, or contact us to arrange pre-negotiated terms and conditions.
2. Quality, Selection and Service. We make procuring medical supplies easy with a secured user-friendly checkout system and a focus on providing cost effective solutions to meet or exceed the needs of our government and commercial clients.
3. We Know Medical and Surgical Products. At Medex Supply we understand our clients have specific needs and are continuously focused on maximizing their time and resources. Let our team of customer service representatives help with your immediate needs. We are here to answer any questions and effectively guide you with your needs.

Differentiators

- Estimated time of arrival experts - we meet or beat shipping deadlines.
- We ship worldwide through our in-house warehouse.
- For faster delivery, we ship CONUS orders via multiple warehouses located throughout the US.
- Our team of medical supply experts are located in our US-based call center.
- We enjoy working hard for our clients, which results in loyal clients who value our dedication.
- Great prices compared to the majority of our competitors in our industry with higher overhead costs.
- 60% of our catalog is based on customer requests. We listen to the voice of our customers.
- We base our product list on quality, as opposed to margin and potential profit.
